

Breed Report & Slides

For each breed listed below, create a slide in a Google Slides Presentation. Include the following for each of the breeds (Yes, you do need to do **ALL** of them! You'll have a total of 74 slides (A beginning slide, A title slide for each species and a slide for each breed! You'll learn a lot of fun new things and have a great resource!):

- The name of the breed
- The origin of the breed (where did it come from?)
- Description of the coloring
- Type (What do we use it for?)
