

- 2- Get your gum
- 3- Weigh your piece of gum WITH THE WRAPPER ON.
4. Remove your gum from your wrapper (SAVE the wrapper for later).
5. Chew your gum as you finish the remaining stations and then weigh your gum AFTER chewing.

**Data Table**

Type of Gum	Start Weight	Finish Weight	Difference	Ratio	% of Sugar
(formulas)	In Grams	In Grams	Start- Finish	Diff. / Start	Ratio x 100
Hubba bubba YOURS	8.30	3.03			
Juicy Fruit Lab Partner 1	2.93	1.01			
Bubble gum Lab Partner 2	9.08	2.59			
Lab Partner 3					

Figure out these numbers using the formulas provided above

Make an appropriate graph that shows which gum has the most sweetener.
