You will design, plan, and estimate the costs involved in a themed wedding with a budget of **\$2,500**. You will create a Prezi or Google Slide presentation or other format. You will need to:

- Decide on a theme and coordinate colors and location to this theme.
- Decide on main floral design pieces needed, make a list. You will choose 2 Wedding Ceremony arrangements. Examples: Bride's Bouquet, Boutonnieres, Flower-girl, Bridesmaids, Corsages. 2 Ceremony arrangements: Example church- altar, pews, arch, doors. Reception. Example: tables centerpieces, banquet food tables, head table, cake flowers and ceiling arrangements.
- Each arrangement must be accurately pictured and all flowers & materials listed with proper flower names and spelling.
