

NatureWise® Layer Crumbles & Pellets 16

Product Purpose: Expertly designed and formulated for natural, balanced nutrition to support production of fresh, hard-shelled eggs in free-range and home-raised flocks.

Product Features:

- A complete, nutritious vegetarian diet—no need for supplementation
- 16% protein and fortified with vitamins and minerals to promote hen health and egg production
- Contains a proprietary blend of nutrients to naturally support the immune system and overall health of the bird
- Added prebiotics, probiotics and yeast culture that support digestion
- NO added antibiotics or hormones
- Added marigold extract for golden yolks
- Crumble form encourages consumption

Feeding Directions:

- Feed as the sole ration beginning at 16 weeks of age
- Don't let feeders run empty
- Clean feeders and waterers regularly
- Keep clean, fresh water available at all times
- Provide appropriate size grit as needed
- Oyster shell or coarse-ground limestone may be fed from the onset of lay in addition to NatureWise® Layer Feed

CAUTION: Store feed in a clean, cool and dry location. Storage area should be free of insects and rodents. Do not allow animals access to feedstuffs that show signs of insect or rodent infestation. Do not allow animals access to hot or moldy feedstuffs at any time.

Product Information:

- Product code: 91590
- Weight: 50
- Form: Crumble
- UPC Code: 7-22304-27568-6

Product Packaging:

Product Form Description: Crumbled – cracked pellets for ease of consumption for all sizes of birds.
