

# SafeChoice Perform

## Product Purpose:

SafeChoice® Perform is the controlled starch formula for hard workers and hard-keepers. It has the balance of highly digestible energy you've come to trust from SafeChoice® Original, plus it's formulated with more energy from fat to meet the needs of performance, breeding horses and lactating mares

## Product Features:

- **Properly balanced feed with controlled starch** and a high concentration of energy from fat
- **Guaranteed amino acid levels** to support muscle maintenance and development
- **Added prebiotics and probiotics to aid in digestion**
- **Organic trace minerals** for improved immune support and skin/coat/hoof health
- **Guaranteed levels of biotin** to support muscle, hair coat and hoof development

## Feeding Directions:
